

GIVE TO SUPPORT OUR WORK

At Rosie's Place, our doors remain open as we continue to serve the women who turn to us when there is nowhere else to go. COVID-19 has required us to limit much of what we do with our community of supporters, but there still are creative and meaningful ways you can help. Thank you!

SUPPORT a guest's stay in our Overnight Shelter

Providing the sanctuary of a safe, clean bed and support services is critical to the health of homeless women at this time. A [donation of \\$50](#) will fund a one-night stay for one woman and allow us the time to work closely with her to meet her needs.

BECOME a monthly donor

By making a sustaining gift through our [Friends for All Seasons](#) monthly giving program, you will provide steady, dependable funding we can count on, in times both good and difficult.

VOLUNTEER virtually

Social distancing means a hiatus for our valued volunteers, but you can still contribute. Please consider [making a gift](#) equal to the value of 1 hour of volunteer service – \$25.83, or even multiple hours, to support our work.

SPONSOR a catered meal

We have come to rely on our volunteer groups, who underwrite the \$350 cost of the meal they prepare and serve. Replacing that lost [catering fee](#) will be critical to helping us sustain all of our vital food programs.

COORDINATE a digital fundraiser

With social gatherings put on hold and events to benefit Rosie's Place suspended for the time being, a Facebook Fundraiser is an easy way to connect with your community to raise funds on our behalf. Simply go to facebook.com/fund/rosiesplace to launch your own fundraiser or join in on our [Steps to Support](#) campaign. And if you're looking for theme ideas, please check out our website under [Other Ways to Give](#).

DONATE our most needed items

Right now, disposable surgical masks or [homemade masks](#), as well as disinfectant cleaning and sanitizing products, are our most sought-after items. If you are able, please mail or drop them off to us at 889 Harrison Avenue, Boston. Your donation will help us keep Rosie's Place safe and healthy for our guests.
