

WAYS TO MAKE A DIFFERENCE AT ROSIE'S PLACE

CATER a meal in our Dining Room

Gather a group of up to 15 coworkers or friends to prepare and serve a meal for 150+ women. Cater a lunch or dinner 7 days a week and underwrite the \$350 cost of the meal by sharing the donation among friends, raising funds to cover the cost or finding a sponsoring organization.

GUIDE shoppers through our Food Pantry

Help us escort shoppers around our food pantry, hand out produce, stock shelves and put together pre-made bags of groceries. Individual volunteers help weekdays from 9:00 a.m. to noon or 4:30 to 7:30 p.m. once or on a regular basis. Many volunteers also coordinate food drives.

TEACH an ESOL class or TUTOR a student

Our Women's Education Center seeks volunteers to teach literacy and English as a Second or Other Language (ESOL) classes mornings, afternoons or evenings. You do not need to be a certified teacher or have prior teaching experience; you will receive a complete curriculum and training for formal courses. As a tutor, you will work one-on-one with an ESOL student at a mutually convenient time.

COORDINATE a Collection Drive

Collect non-perishable foods, toiletries or other seasonal items for our guests. Visit rosiesplace.org/drives to see our current needs.

SUPPORT a Rosie's Place event

Our fall luncheon and a spring gala raise significant funds that support poor and homeless women. Tickets and sponsorship opportunities are available for both events. Or host an event of your own, such as a raffle, performance, sale, dinner or fashion show to benefit Rosie's Place. Visit rosiesplace.org/events for more information.

DONATE to support our programs and services

Rosie's Place relies solely on the generosity of our supporters. We do not accept city, state or federal funding and are proud that 88 cents of every dollar donated goes directly to services for our guests. We offer a variety of ways to give—online, monthly, an employee campaign or planned giving—call us today to determine what fits you best.
